OUTPUT SCREEN(GUI)

A screenshot of a login window with a purple background. The window has a title bar with a small icon and standard minimize, maximize, and close buttons. In the center, there is a white box titled "LOGIN". Inside this box, there are two labels: "Username" and "Password". The "Username" label is next to a text input field containing the text "admin". The "Password" label is next to a password input field showing three black dots. Below these fields is a button labeled "Login".

Login Page

A screenshot of the home page of a Pharmacy Store Management application. The page has a dark purple sidebar on the left and a light purple header. The sidebar contains a list of options: "Options", "Add Medicine", "Update Medicine", "Delete Medicine", "Show Report", "Expired Stock", "Out Of Stock", and "Create New User". The header contains the text "Pharmacy Store Management". Below the header, there is a section titled "Current Stock" which contains a table with the following data:
